

# ST GILES' ministry TRAINEES

Since 2004 St Giles' has been training men & women for ministry through the 9:38 Ministry Training Scheme.

We are a growing Church of all ages and many backgrounds in a socially mixed urban area of Derby.

We have also begun outreach to the neighbouring area to plant there.

Derby is a small city set in beautiful Derbyshire and the famous Derby friendliness is alive and well in St Giles'.

A great advantage of being a trainee at St Giles' is that in teams of volunteers and paid staff you can get involved in a WIDE range of ministries including some of these:

- Youth
- Children
- Students
- Schools
- Seniors
- Sunday services
- Practical service
- Bible teaching
- Men
- Women
- Music
- One to one
- Enquirers' courses
- Outreach events
- Partnership in global mission
- Study projects
- Training at MMTC and much more...

For more information including grants and accommodation or to apply please contact Neil Barber
